

IRON MAN

MARK VII

With his striking red and gold, refined detailing and commanding size, the Iron Man Legendary Scale Figure elevates a collection into a gallery display. Intended for pedestal or tabletop presentation, this centerpiece figure is designed to stand eye-to-eye with viewers, drawing them in and challenging them to enter the world of Iron Man. This commanding figure is a faithful homage, unlike any other, capturing the essence and anatomy of one of Pop Culture's paramount characters.

Along with legendary size comes legendary care in the assembly process. In the next few pages you will be guided through several steps for the proper assembly of the Iron Man Legendary Scale Figure. Please exercise legendary care when assembling your Iron Man Legendary Scale Figure.
